ASTORIA AND LIBRARY ROOM FLOOR PLAN

A useful feature of the Astoria and Library rooms is that they can be combined to create one large space or divided using the floor to ceiling built-in curtains. The yellow lines above indicate where these curtains are in the room. So whether your event is for 12 people or 190, the Astoria & Library spaces can perfectly accommodate groups both large and small. If the bar is rented as well we can accommodate groups up to 250.
